"I wouldn't be where I am today if it wasn't for the bursaries and scholarships I received; I would have given up a long time ago. I was able to study and work part-time, and more importantly, I didn't have to worry about where our next meal was coming from and whether we had a roof over our heads. It gave my son and me a better standard."

- Alkie-Babe Froman, 2019 graduate of NC's Business Administration - International Business program.
